

Day - 453

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

Sr.no	Words	Parts of speech	Meaning

9.	Abduction	Noun	kidnapping, capture, seizure, snatching, hijacking अपहरण
10.	Circumspect	Adjective	cautious, prudent, wary, careful, vigilant सावधान / सतर्क

Story in English

Once upon a time, in a small town named Maharajpur, there lived two friends, Amar and Vijay. They were inseparable, and despite their different personalities, they had always been supportive of each other. Amar was a cautious and **circumspect (prudent-सावधान)** man who believed in making wise decisions, while Vijay was adventurous and bold.

One day, while walking through the busy streets of Maharajpur, they noticed a growing problem in the town: the **congestion (overcrowding-भीड़)** caused by the increasing number of vehicles. The roads were becoming narrower, and people were getting frustrated by the constant **traffic jam (blockage-जाम)**. Amar, ever so **circumspect (cautious-सतर्क)**, was quick to point out how this would lead to more accidents and **brutal (savage-क्रूर)** conditions in the long run.

"Vijay, we need to think about a **sustainable (viable-टिकाऊ)** solution to help the people of this town," Amar said, trying to offer his advice.

Vijay, on the other hand, was full of ideas but not always practical. He believed that they could make a quick fortune out of this by setting up a **bounty (reward-इनाम)** for anyone who could come up with a viable solution. They both knew that the **prosperity (wealth-समृद्धि)** of the town depended on such innovations.

In the days that followed, the two friends worked together to find a solution. While Amar sought advice from the local government and businesses, Vijay got involved with the community, offering assistance and **backing (support-समर्थन)** to anyone who showed interest in solving the **congestion (overcrowding-भीड़)** problem.

One day, a young **fledgling (emerging-उभरते)** entrepreneur named Ramesh came to them with a brilliant plan: electric vehicles (EVs) for public transport. These would not only reduce the **congestion (overcrowding-भीड़)** but also provide a **sustainable (viable-टिकाऊ)** and **tangible (actual-मूर्त)** solution to the town's growing transportation problems. The idea seemed viable, and the town's people were excited about it.

Amar and Vijay, despite their different approaches, agreed that Ramesh's idea was worth pursuing. They promised him their full **backing (support-समर्थन)**, and together, they raised funds for the project. As the **bounty (reward-इनाम)** of their hard work, the town started to thrive, and the roads were no longer clogged with vehicles.

However, things took a turn when a few unscrupulous men tried to **abduct (kidnapping-अपहरण)** Ramesh to steal his idea. But Amar, ever the **circumspect (cautious-सतर्क)**, had planned for such

an event. With the help of Vijay and the community, they managed to catch the culprits before they could carry out their plan.

In the end, their efforts paid off. The town of Maharajpur saw a new wave of **prosperity (wealth-समृद्धि)**, all thanks to the combined efforts of two friends, one cautious and the other daring. Their partnership and commitment to **sustainable (viable-टिकाऊ)** solutions had led to a brighter future for their beloved town.

And so, Amar and Vijay became the heroes of Maharajpur, known for their wisdom, bravery, and the **backing (endorsement-समर्थन)** they provided each other throughout the journey.

Story in Hindi

बहुत समय पहले की बात है, एक छोटे से शहर महाराजपुर में दो दोस्त रहते थे, अमर और विजय। वे एक-दूसरे से बहुत घनिष्ठ थे और भले ही उनके व्यक्तित्व अलग थे, परंतु वे हमेशा एक-दूसरे का साथ देते थे। अमर एक **सावधान (circumspect)** आदमी था जो हमेशा समझदारी से फैसले लेता था, जबकि विजय साहसी और साहसिक था।

एक दिन, महाराजपुर की भीड़-भाड़ भरी सड़कों पर चलते हुए उन्होंने शहर में एक बढ़ती हुई समस्या देखी: बढ़ते हुए वाहन संख्या के कारण हो रही **भीड़ (congestion)**। सड़कों पर जगह कम हो रही थी, और लोग लगातार **जाम (traffic jam)** से परेशान थे। अमर, जो हमेशा **सतर्क (circumspect)** था, जल्दी से यह समझ गया कि इससे भविष्य में और अधिक **क्रूर (brutal)** हालात पैदा हो सकते हैं।

"विजय, हमें इस समस्या का **टिकाऊ (sustainable)** समाधान सोचना होगा, ताकि लोगों की मदद की जा सके," अमर ने कहा, अपनी सलाह देते हुए।

विजय, जो हमेशा नए और साहसी विचारों से भरा था, ने सोचा कि वे इस समस्या से न केवल निपट सकते हैं, बल्कि इससे अच्छा लाभ भी कमा सकते हैं। उसने सुझाव दिया कि वे **इनाम (bounty)** दें, ताकि कोई व्यक्ति एक बेहतर समाधान के साथ सामने आए। दोनों जानते थे कि शहर की **समृद्धि (prosperity)** इस तरह की नवाचारों पर निर्भर करती है।

कुछ दिनों बाद, एक युवा **उभरते (fledgling)** उद्यमी, रमेश, उनके पास एक शानदार योजना लेकर आया: सार्वजनिक परिवहन के लिए इलेक्ट्रिक वाहन (EVs)। यह न केवल **भीड़ (congestion)** को कम करेगा बल्कि

शहर के बढ़ते परिवहन समस्याओं का **टिकाऊ (sustainable)** और **मूर्त (tangible)** समाधान भी प्रदान करेगा। उसकी योजना **व्यावहारिक (viable)** लगी, और शहर के लोग इसे लेकर उत्साहित थे।

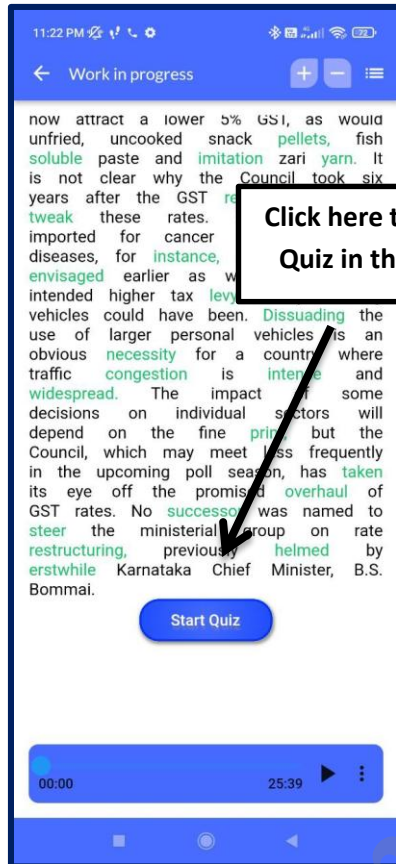

अमर और विजय, भले ही उनके दृष्टिकोण अलग थे, दोनों ही यह मानते थे कि रमेश का विचार अपनाना चाहिए। उन्होंने रमेश को अपना पूरा **समर्थन (backing)** देने का वादा किया और मिलकर इस प्रोजेक्ट के लिए धन जुटाया। उनके मेहनत के **इनाम (bounty)** के रूप में, शहर में समृद्धि की एक नई लहर आई और सड़कें अब वाहनों से भरी नहीं थीं।

लेकिन एक दिन कुछ अनुशासनहीन लोग रमेश का **अपहरण (abduction)** करने की योजना बनाने लगे, ताकि वे उसकी योजना चुराकर उसे अपने नाम से चला सकें। लेकिन अमर, जो हमेशा **सतर्क (circumspect)** रहता था, ने इस तरह के घटनाक्रम के लिए पहले ही तैयारी कर रखी थी। विजय और समुदाय की मदद से वे अपराधियों को पकड़ने में सफल हो गए।

अंत में, उनकी मेहनत रंग लाई। महाराजपुर में **समृद्धि (prosperity)** आई, और यह सब दो दोस्तों के संयोजन का परिणाम था, एक **सावधान (circumspect)** और दूसरा साहसी। उनका **समर्थन (backing)** और **टिकाऊ (sustainable)** समाधानों के प्रति उनकी प्रतिबद्धता ने उनके प्यारे शहर के लिए उज्ज्वल भविष्य का रास्ता खोला।

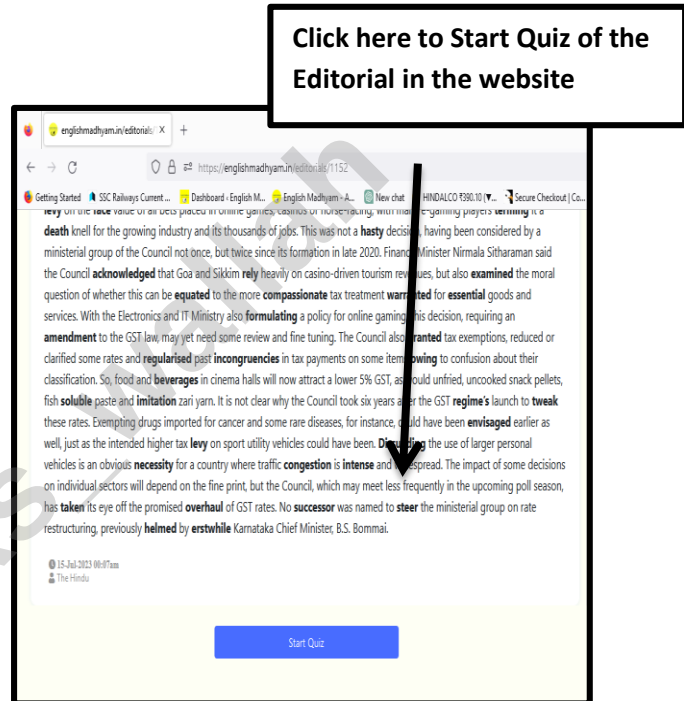

और इस तरह, अमर और विजय महाराजपुर के नायक बन गए, जिनकी समझदारी, साहस और एक-दूसरे का **समर्थन (backing)** उनके इस सफर में हमेशा साथ था।
