

Day - 484

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

Sr.no	Words	Parts of speech	Meaning
1.	Outlay	Noun	expenditure, budget, allocation, funding, spending व्यय
2.	Reasonable	Adjective	fair, just, moderate, sensible, acceptable उचित

4.	Malicious	Adjective	harmful, hostile, spiteful, wicked, malevolent दुर्भावनापूर्ण
5.	Paradigm	Noun	model, framework, pattern, structure, approach ढांचा
6.	Fetter	Noun	restraint, shackle, constraint, hindrance, limitation प्रतिबंध
7.	Inevitability	Noun	certainty, unavailability, fate, necessity, preordainment अनिवार्यता
8.	Fabricated	Adjective	manufactured, constructed, produced, built, assembled निर्मित
9.	Drought	Noun	dry spell, water shortage, aridity, rain deficit, desiccation सूखा
10.	Livelihood	Noun	income, employment, subsistence, living, occupation आजीविका

Story in English

In the small village of Beena, lived an old farmer named Bhajanlal. Every year, he made a careful **outlay (expenditure-व्यय)** for seeds, fertilizers, and tools from his limited savings.

He always took **reasonable (moderate-उचित)** decisions, never spending too much, hoping for a good **yield (output-उपज)**.

But one year, a terrible **drought (aridity-सूखा)** struck the region. The sky remained clear, and his fields turned to dust.

All his effort seemed wasted. His **livelihood (subsistence-आजीविका)** was at stake. He watched as his neighbors struggled too.

One day, a government officer came to the village with a new **paradigm (framework-ढांचा)** for water conservation and crop planning.

But not everyone trusted the officer. Some believed it was a **fabricated (manufactured-निर्मित)** plan that would never be implemented.

Bhajanlal, though old, saw a ray of hope. He realized the **inevitability (unavoidability-अनिवार्यता)** of change and chose to support the idea.

He broke the mental **fetters (shackle-प्रतिबंध)** of doubt and fear and gathered other farmers for a joint effort.

However, not everyone was happy. A **malicious (spiteful-दुर्भावनापूर्ण)** trader from the nearby town tried to sabotage their plan.

But united, the villagers overcame every obstacle. That year, they managed to save water and harvest enough crop to secure their **livelihood (living-आजीविका)**.

Story in Hindi

बीना नामक एक छोटे से गांव में भजनलाल नाम का एक बूढ़ा किसान रहता था। हर साल वह अपने सीमित बचत से बीज, खाद और औजारों पर सोच-समझकर **व्यय (outlay)** करता था।

वह हमेशा **उचित (reasonable)** निर्णय लेता था, कभी ज्यादा खर्च नहीं करता, और अच्छी **उपज (yield)** की उम्मीद करता।

लेकिन एक साल भयानक **सूखा (drought)** पड़ गया। आकाश साफ रहा और उसके खेत धूल में बदल गए। उसकी सारी मेहनत व्यर्थ लग रही थी। उसकी **आजीविका (livelihood)** खतरे में थी। वह देख रहा था कि उसके पड़ोसी भी संघर्ष कर रहे हैं।

एक दिन एक सरकारी अधिकारी गांव आया और जल संरक्षण व फसल योजना के लिए एक नया **ढांचा (paradigm)** लेकर आया।

पर हर कोई अधिकारी पर भरोसा नहीं करता था। कुछ लोगों का मानना था कि यह एक **निर्मित (fabricated)** योजना है जो कभी लागू नहीं होगी।

भले ही भजनलाल बूढ़ा था, उसने आशा की एक किरण देखी। उसने बदलाव की **अनिवार्यता (inevitability)** को समझा और उस विचार का समर्थन किया।

उसने संदेह और भय के मानसिक **प्रतिबंध (fettters)** को तोड़ा और अन्य किसानों को सामूहिक प्रयास के लिए इकट्ठा किया।

हालांकि, हर कोई खुश नहीं था। पास के कस्बे का एक **दुर्भावनापूर्ण (malicious)** व्यापारी उनकी योजना को विफल करने की कोशिश करने लगा।

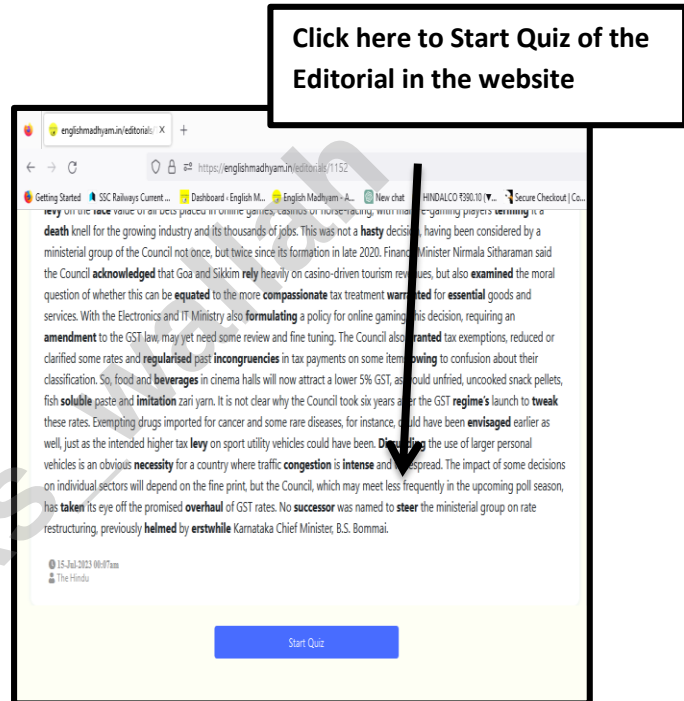

लेकिन एकजुट होकर गांव वालों ने हर बाधा को पार किया। उस साल उन्होंने पानी बचाया और इतनी फसल उगाई कि उनकी **आजीविका (livelihood)** सुरक्षित हो गई।
