

Nourishing the soul

As modern life constantly progresses and new innovations continue to improve the quality of life, we are **placing** greater **emphasis on** living longer, healthier lives. This growing awareness **drives** us to eat nutritious foods, get quality sleep and exercise regularly. While all these help us achieve **ideal** physical and mental health, is that all we need to lead an **optimal** life?

It is important to understand that spiritual health depends on the health of the body and the mind. The most **crucial aspect** of **well-being is spiritual** health. True wellness **lies** in leading a life **wherein** our soul is **nourished**. How can we **replenish** and restore the well-being of our soul? What does our soul need?

Just as we nourish our mind and body with the **sustenance** of good diet, sleep and exercise, we must nourish the soul with the sustenance of God's name. Our soul is a part of the Divine and gains strength as it experiences **closeness to the Almighty**. Through **meditation**, we can experience the love and Light of God within.

THE SPEAKING TREE

As the soul reconnects with the Divine in meditation, we **attain** true wellness. To **embark on** this **divine** journey, we must **imbibe** teachings of great **saints**. As our soul is **healed**, our physical and mental health also improves. For this to happen, we must **meditate** daily and **diligently**, helping our soul **undertake** this journey of **bliss**, **ultimately** attaining optimal wellness. **[Practice Exercise]**

- Red/blue coloring of words in the sentence indicates subject verb relationship; where 'red' denotes 'subject' and 'blue' denotes 'verb'.
