

Day - 424

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

9.	Complacency	Noun	self-satisfaction, contentment, inaction, smugness, overconfidence आत्मसंतोष
10.	Erratic	Adjective	unpredictable, unstable, irregular, inconsistent, fluctuating अस्थिर

Story in English

In the quiet village of Rajapur lived two close friends—Arjun and Rahul. Arjun was a **benevolent** (**charitable-परोपकारी**) soul, always ready to help others, while Rahul was somewhat **blinkered** (**Narrow-minded-संकीर्ण सोच वाला**), thinking only of his own gain.

One day, the village faced a crisis—the crops were failing due to lack of rain. Arjun suggested that everyone work together to find a solution, but Rahul showed little **deference** (**esteem-सम्मान**) to his idea and joked, "Why do you always think about others?" Arjun responded with a lighthearted **quip** (**wisecrack-चुटकुला**), "If everyone prospers, so will we!"

A few days later, a **staggering** (**astonishing-चौंका देने वाला**) discovery was made—an old well near the village hid a gold mine! Arjun saw the **implications** (**consequence-प्रभाव**) of this find for the entire village, but Rahul tried to claim it for himself.

Watching this, Arjun warned, "Greed makes our decisions **erratic** (**fluctuating-अस्थिर**). If we let go of **complacency** (**smugness-आत्मसंतोष**) and work together, this mine could become a **potent** (**forceful-शक्तिशाली**) source of prosperity for Rajapur."

In the end, Rahul realized his mistake, and the two friends worked together for the village's welfare. The **ramifications** (**consequence-प्रभाव**) of their unity were profound—Rajapur flourished like never before!

Story in Hindi

राजापुर गाँव में दो अच्छे दोस्त रहते थे—अर्जुन और राहुल। अर्जुन एक **परोपकारी** (**benevolent**) व्यक्ति था, हमेशा दूसरों की मदद करने को तैयार रहता था। वहीं, राहुल थोड़ा **संकीर्ण सोच वाला** (**blinkered**) था, केवल अपने फायदे के बारे में सोचता था।

एक दिन, गाँव में एक बड़ी समस्या आई—बारिश न होने से फसलें खराब हो रही थीं। अर्जुन ने सबको साथ मिलकर काम करने का सुझाव दिया, लेकिन राहुल ने उसके विचार का **आदर** (**deference**) नहीं किया और मजाक में कहा, "तुम हमेशा दूसरों के लिए ही क्यों सोचते हो?" अर्जुन ने हँसते हुए एक **चुटकुला** (**quip**) सुनाया, "अगर सबका भला होगा, तो हमारा भी होगा!"

कुछ दिनों बाद, गाँव में एक **चौका देने वाला** (staggering) खुलासा हुआ—एक पुराने कुएँ के पास सोने की खान मिली थी! अर्जुन ने सोचा कि इसका **प्रभाव** (implication) पूरे गाँव के लिए अच्छा हो सकता है, लेकिन राहुल ने इसे अकेले हड़पने की कोशिश की।

यह देखकर अर्जुन ने समझाया, "लालच हमारी सोच को **अस्थिर** (erratic) बना देता है। अगर हम **आत्मसंतोष** (complacency) छोड़कर मिलजुल कर काम करें, तो यह खान हमारे गाँव के लिए **शक्तिशाली** (potent) साबित हो सकती है।"

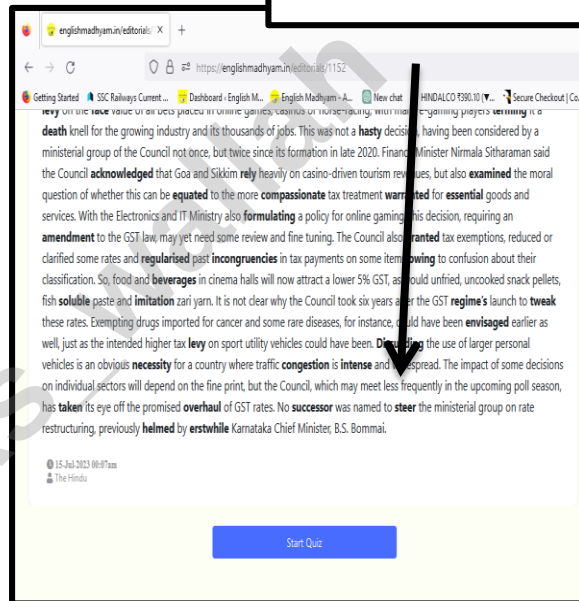

अंत में, राहुल ने अपनी गलती समझी और दोनों दोस्तों ने मिलकर गाँव की भलाई के लिए काम किया। इस घटना के **परिणाम** (ramifications) बहुत अच्छे निकले—राजापुर गाँव एक समृद्ध गाँव बन गया!
