

## Day - 378

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

| 10.   | <b>Room</b>       | <b>Noun</b>      | Space, Scope, Opportunity, Capacity, Margin<br>गुंजाइश               |

## Story in English

In the small village of Sitamari, two farmers, Ramu and Shyam, faced the challenges of unpredictable weather and the impact it had on their crops.

One year, the village experienced an **uptick (Surge-वृद्धि)** in rainfall, which initially seemed like a blessing but soon turned into a **sobering (Grave-गंभीर)** reminder of nature's **vagaries (Caprice-अनिश्चितता)**. The excess water made their fields **vulnerable (Susceptible-असुरक्षित)** to pests and diseases. Despite these challenges, Ramu and Shyam's **resilience (Endurance-मजबूती)** was noteworthy. They understood that adapting new farming techniques was **imperative (Essential-अत्यावश्यक)** to survive.

Driven by an inner **impulse (Stimulus-प्रेरणा)**, Ramu began to experiment with crop rotation and organic pesticides. Shyam, always **mindful (Conscious-सतर्क)** of the ecosystem, started collecting rainwater to use during drier months. Their efforts provided a much-needed **respice (Relief-राहत)** from their struggles.

Recognizing the **room (Capacity-गुंजाइश)** for growth and improvement, they shared their successes with other farmers, spreading knowledge and hope throughout Sitamari. Their story is a testament to the power of adaptability and community spirit in facing the caprices of nature.

## Story in Hindi

सीतामढ़ी गांव में दो किसान, रामू और श्याम, अप्रत्याशित मौसम और इसके फसलों पर पड़ने वाले प्रभावों की चुनौतियों का सामना कर रहे थे।

एक वर्ष, गांव में वर्षा में **वृद्धि (uptick)** हुई, जो शुरू में वरदान लग रही थी लेकिन जल्द ही यह प्रकृति की **अनिश्चितताओं (vagaries)** की एक **गंभीर (sobering)** याद दिलाने वाली बन गई। अधिक पानी के कारण उनके खेत **असुरक्षित (vulnerable)** हो गए थे कीटों और बीमारियों के प्रति। इन चुनौतियों के बावजूद, रामू और श्याम की **मजबूती (resilience)** काबिले तारीफ थी। उन्हें समझ आ गया था कि जीवित रहने के लिए नई खेती की तकनीकों को अपनाना **अत्यावश्यक (imperative)** था।

एक आंतरिक **प्रेरणा (impulse)** से प्रेरित होकर, रामू ने फसल चक्र और जैविक कीटनाशकों के साथ प्रयोग शुरू किया। श्याम, जो हमेशा पारिस्थितिकी तंत्र के प्रति **सतर्क (mindful)** रहते थे, उन्होंने सूखे महीनों के दौरान इस्तेमाल के लिए वर्षा जल संग्रहण शुरू किया। उनके प्रयासों ने उन्हें उनकी कठिनाइयों से बहुत आवश्यक **राहत (respice)** प्रदान की।

विकास और सुधार के लिए **गुंजाइश (room)** को पहचानते हुए, उन्होंने अपनी सफलताओं को अन्य किसानों के साथ साझा किया, जिससे सीतामढ़ी भर में ज्ञान और आशा फैली। उनकी कहानी प्रकृति की अनिश्चितताओं का सामना करने में समायोजन क्षमता और सामुदायिक भावना की शक्ति की गवाही देती है।
