

Day - 491

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

9.	Apprehension	Noun	fear, anxiety, worry, concern, unease भय / चिंता
10.	Anomaly	Noun	Irregularity, aberration, deviation, inconsistency, oddity विसंगति

Story in English

In the small city of Orai, two friends named Mohan and Jeevan were known for their **notable (Remarkable-उल्लेखनीय)** efforts in social work. Mohan came from a strong **pedigree (background-अनुभव/योग्यता)** of educators, while Jeevan, though from humble roots, had a deep **apprehension (concern-भय / चिंता)** about the rising child labour in their area.

One day, while walking through a lush garden area near the railway station, they saw a group of children working at a tea stall. There was a **dearth (scarcity-कमी)** of school-going children in that region, and this scene was **reminiscent (recalling-याद दिलाने वाला)** of what Mohan had once seen in his childhood.

“What kind of **anomaly (Irregularity-विसंगति)** is this?” Mohan asked. “Kids should be in schools, not washing dishes.”

Jeevan nodded. “And yet, there is so much **apathy (Indifference-उदासीनता)** from society. No one cares.”

They approached the shop owner, who showed no **leniency (mercy-नरमी)**. “They work for food,” he said **rigidly (unyielding-कठोरता से)**. “If they don’t like it, they can leave.”

Mohan and Jeevan decided to report the incident to the **Unitary (Centralized-एकात्मक)** Child Protection Committee. The system was centralized, making it easier to raise complaints. However, the local authorities responded with **tolerance (leniency-नरमी)**, saying: “Child labour is everywhere; we can’t stop it overnight.”

Instead of giving up, the two friends organized an awareness drive. They involved teachers, parents, and NGOs. They faced **indulgence (leniency-नरमी)** from some, and resistance from others, but their spirit was **remarkable (notable-उल्लेखनीय)**.

Gradually, the number of child labour cases reduced. People started to recognize the **significance (notability-उल्लेखनीय)** of their work. Jeevan, once scared and anxious, now felt proud.

Story in Hindi

ओरई जैसे छोटे शहर में मोहन और जीवन दो ऐसे दोस्त थे जो समाज सेवा के लिए **उल्लेखनीय (notable)** माने जाते थे। मोहन का पारिवारिक **अनुभव/योग्यता (pedigree)** शिक्षकों का था, जबकि जीवन साधारण परिवार से था लेकिन उसे इलाके में बढ़ते बाल श्रम को लेकर गहरी **चिंता (apprehension)** थी।

एक दिन, रेलवे स्टेशन के पास के **हरा-भरे (lush)** बगीचे से गुजरते हुए उन्होंने देखा कि कुछ बच्चे चाय की दुकान पर काम कर रहे थे। उस इलाके में स्कूल जाने वाले बच्चों की भारी **कमी (dearth)** थी और यह दृश्य मोहन को उसके बचपन की घटनाएं **याद दिलाने वाली (reminiscent)** लगी।

"ये कैसी **विसंगति (anomaly)** है?" मोहन ने पूछा। "बच्चे स्कूल में होने चाहिए, बर्तन नहीं धोने चाहिए।"

जीवन ने सिर हिलाया, "और समाज में इतनी **उदासीनता (apathy)** है कि कोई ध्यान ही नहीं देता।"

वे दुकानदार के पास गए, लेकिन उसने कोई **नरमी (leniency)** नहीं दिखाई। उसने **कठोरता (rigid)** से कहा, "ये खाना खाते हैं, काम करते हैं। पसंद नहीं तो जा सकते हैं।"

मोहन और जीवन ने इसे **एकात्मक (unitary)** चाइल्ड प्रोटेक्शन कमिटी को रिपोर्ट करने का फैसला किया। सिस्टम **एकीकृत (unitary)** था, जिससे शिकायत करना आसान था। लेकिन स्थानीय अधिकारियों ने **नरमी (leniency)** से जवाब दिया: "बाल श्रम हर जगह है, इसे एक दिन में नहीं रोक सकते।"

उन्होंने हार नहीं मानी। उन्होंने शिक्षकों, माता-पिता और NGO की मदद से जागरूकता अभियान शुरू किया। कुछ लोगों ने **ढील (leniency)** दिखाई, कुछ ने **कठोरता (rigid)** से विरोध किया, लेकिन उनकी भावना **उल्लेखनीय (notable)** थी।

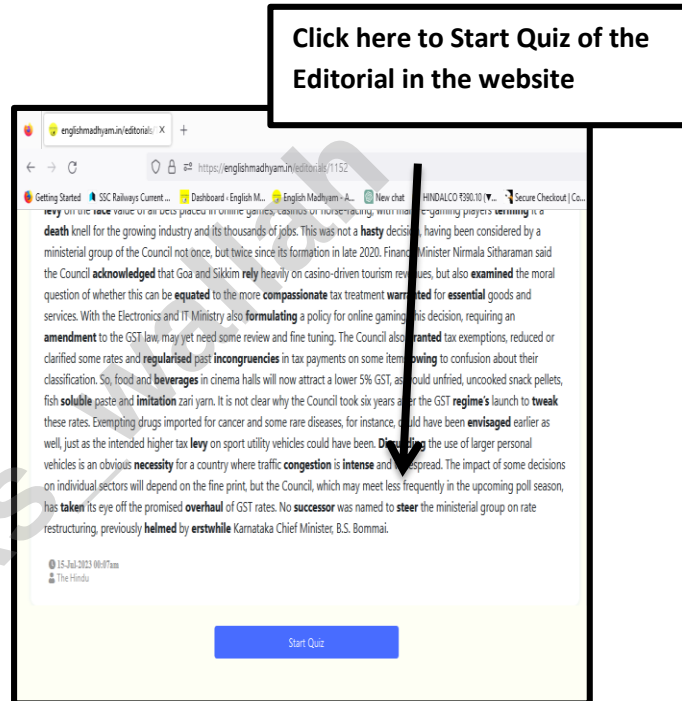

धीरे-धीरे, बाल श्रम के मामलों में गिरावट आने लगी। लोग उनके कार्य की **महत्ता (notable)** को पहचानने लगे। जीवन, जो कभी डरा और चिंतित रहता था, अब गर्व महसूस करता था।
