

Day - 403

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

9.	Severity	Noun	Intensity, Harshness, Seriousness, Gravity, Acuteness गंभीरता
10.	Vulnerable	Adjective	Exposed, Susceptible, Defenseless, Weak, At risk कमजोर

Story in English

Deoria, a small town where two friends, Rahul and Amit, were struggling for their **livelihood (Occupation-रोजी-रोटी)**. Rahul ran a small shop, while Amit worked as a laborer in a local factory. Their lives were **stiff (Severe-कठोर)**, but they always supported each other.

One day, on a **whim (Fancy-मनमर्जी)**, Amit suggested Rahul join him for a job at a new factory outside the city. Rahul thought, "Why not try something new this time?" But when they reached there, they found the factory in a **rotten (nasty-बहुत बुरा)** condition, and working there would only increase their **fatigue (Tiredness-थकान)**.

A few days later, a **contagious (Infectious-संक्रामक)** disease spread in Deoria. Rahul and Amit noticed that while the disease was causing hardships, there was also an **uptick (Increase-वृद्धि)** in local business as people started demanding medicines and essential supplies.

Rahul began selling these items in his shop, while Amit decided to volunteer to help people. They realized that during such times, those who play a **predominant (Prevalent-प्रमुख)** role can lead society forward.

However, the **severity (Gravity-गंभीरता)** of the disease worried them. Rahul and Amit knew they were **vulnerable (Susceptible-कमजोर)** and needed to take care of their safety. But they didn't lose hope and supported each other to overcome this difficult time.

In the end, both friends learned that no matter how **stiff (Rigid-कठोर)** life gets, if we stand by each other, we can overcome any challenge.

Story in Hindi

देवरिया, एक छोटा सा शहर, जहां दो दोस्त, राहुल और अमित, अपनी **रोजी-रोटी (Livelihood)** के लिए संघर्ष कर रहे थे। राहुल एक छोटी सी दुकान चलाता था, जबकि अमित एक स्थानीय कारखाने में मजदूरी करता था। उनकी जिंदगी **कठोर (Stiff)** थी, लेकिन वे हमेशा एक-दूसरे का साथ देते थे।

एक दिन, अमित ने **मनमर्जी (Whim)** से राहुल को अपने साथ शहर के बाहर एक नई फैक्ट्री में नौकरी करने का प्रस्ताव दिया। राहुल ने सोचा, "क्यों न इस बार कुछ नया करके देखा जाए?" लेकिन जब वे वहां पहुंचे, तो

उन्हें पता चला कि वह फैक्ट्री **बहुत बुरी (Rotten)** हालत में थी और वहां काम करना उनकी **थकान (Fatigue)** को और बढ़ा देगा।

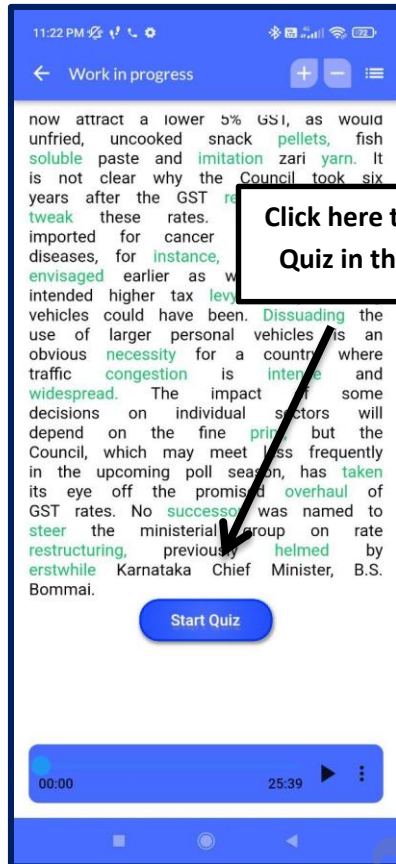

कुछ दिनों बाद, देवरिया में एक **संक्रामक (Contagious)** बीमारी फैल गई। राहुल और अमित ने देखा कि बीमारी के कारण लोगों की मुश्किलें बढ़ रही थीं, लेकिन साथ ही स्थानीय व्यापार में एक **वृद्धि (Uptick)** भी देखी गई। लोगों ने दवाइयों और जरूरी सामान की मांग बढ़ा दी थी।

राहुल ने अपनी दुकान में इन चीजों को बेचना शुरू किया, जबकि अमित ने लोगों की मदद करने के लिए स्वयंसेवक बनने का फैसला किया। उन्होंने महसूस किया कि इस समय में **प्रमुख (Predominant)** भूमिका निभाने वाले लोग ही समाज को आगे बढ़ा सकते हैं।

हालांकि, बीमारी की **गंभीरता (Severity)** ने उन्हें चिंतित कर दिया। राहुल और अमित जानते थे कि वे **कमजोर (Vulnerable)** हैं और उन्हें अपनी सुरक्षा का ध्यान रखना होगा। लेकिन उन्होंने हिम्मत नहीं हारी और एक-दूसरे का साथ देकर इस मुश्किल समय को पार किया।

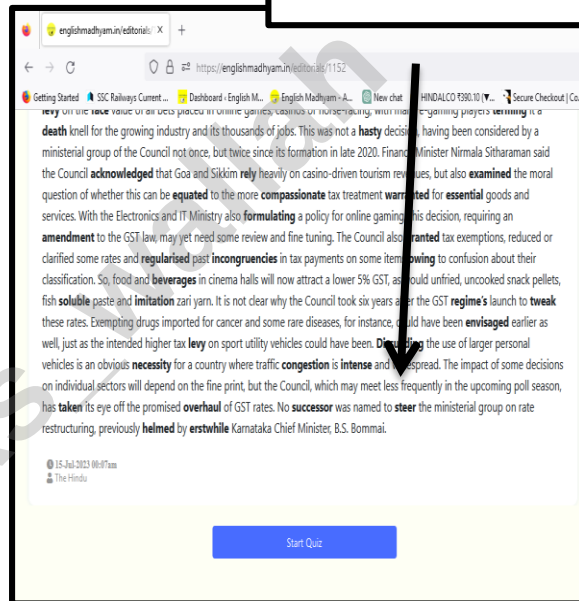

अंत में, दोनों दोस्तों ने सीखा कि चाहे जिंदगी कितनी भी **कठोर (Stiff)** क्यों न हो, अगर हम एक-दूसरे का साथ दें, तो हर मुश्किल को पार किया जा सकता है।
