

Day - 386

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

9.	Disregard	Noun	Ignorance, Neglect, Indifference, Overlooking, Disrespect उपेक्षा
10.	Sensitive	Adjective	Responsive, susceptible, tender, delicate, perceptive संवेदनशील

Story in English

In the small, tranquil village of Rajapur, there lived an old man named Madhav. Despite his age, he was remarkably **sensitive (Responsive-संवेदनशील)** to the needs and feelings of his fellow villagers. One day, a sudden **surge (Upsurge-तेजी)** of interest arose in the village regarding the proposed construction of a large factory nearby. The factory promised **novel (Unique-नया)** opportunities and development, but at a cost that concerned Madhav.

Madhav, who had been deeply **involved (Engaged-शामिल)** in village affairs for decades, decided to speak out against the factory. He argued that the **stringent (Rigorous-कठोर)** regulations the factory claimed to follow were not enough to protect their simple way of life from the **chaos (Disorder-अराजकता)** it would bring. He organized meetings and discussions, striving for a **comprehensive (Thorough-व्यापक)** understanding of both the benefits and the drawbacks.

However, many of the younger villagers, desperate for jobs, chose to **disregard (Ignorance-उपेक्षा)** Madhav's warnings. They were blinded by the potential for economic gain and dismissed his concerns as outdated fears. Standing **standalone (Independent-स्वतंत्र)** in his opposition, Madhav continued his efforts, undeterred by the lack of support.

As the construction began, the disruptions became evident. The natural beauty of Rajapur was marred by heavy machinery and pollution, diminishing the **delight (Pleasure-आनंद)** the villagers once found in their serene surroundings. Only then did some realize the wisdom in Madhav's caution, appreciating his **sensitive (Responsive-संवेदनशील)** approach to the village's future.

In the end, the village learned a hard lesson about weighing the allure of quick progress against the preservation of their cherished community values.

Story in Hindi

राजपुर गांव में एक बुजुर्ग व्यक्ति रहते थे, जिनका नाम माधव था। अपनी उम्र के बावजूद, वह अपने साथी ग्रामीणों की जरूरतों और भावनाओं के प्रति बेहद **संवेदनशील (sensitive)** थे। एक दिन, गांव के पास एक बड़े कारखाने के निर्माण के प्रस्ताव को लेकर गांव में अचानक **तेजी (surge)** से रुचि जागृत हुई। कारखाना **नया (novel)** अवसर और विकास का वादा करता था, लेकिन एक ऐसी कीमत पर जिसने माधव को चिंतित कर दिया।

माधव, जो दशकों से गांव के मामलों में गहराई से **शामिल (involved)** थे, ने कारखाने के खिलाफ बोलने का निर्णय लिया। उन्होंने तर्क दिया कि कारखाना जो **कठोर (stringent)** नियमों का दावा करता था, वे गांव के

साधारण जीवन को लाने वाले **अराजकता (chaos)** से बचाने के लिए पर्याप्त नहीं थे। उन्होंने बैठकें और चर्चाएं आयोजित कीं, दोनों लाभ और हानि की **व्यापक (comprehensive)** समझ बनाने का प्रयास किया।

हालांकि, कई युवा ग्रामीण, जो नौकरियों के लिए हताश थे, माधव की चेतावनियों को **उपेक्षा (disregard)** करने लगे। वे आर्थिक लाभ की संभावना से अंधे हो गए और उनकी चिंताओं को पुराने डर के रूप में खारिज कर दिया। **स्वतंत्र (standalone)** रूप से अपने विरोध में खड़े होकर, माधव ने अपने प्रयासों को जारी रखा, समर्थन की कमी से अचल रहे।

जैसे-जैसे निर्माण शुरू हुआ, विघ्न स्पष्ट होने लगे। राजपुर की प्राकृतिक सुंदरता भारी मशीनरी और प्रदूषण से धूमिल हो गई, जिससे ग्रामीणों को अपने शांतिपूर्ण परिवेश में मिलने वाला **आनंद (delight)** कम हो गया। तब कुछ ग्रामीणों ने माधव की सावधानी में बुद्धिमत्ता को समझा, उनके **संवेदनशील (sensitive)** दृष्टिकोण की सराहना की।

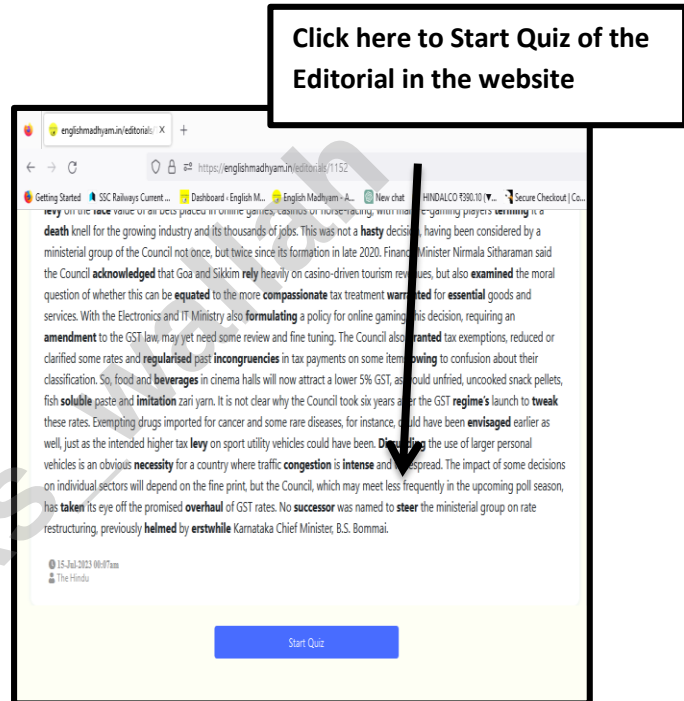

अंत में, गांव ने तेजी से प्रगति के आकर्षण को समुदाय के प्रिय मूल्यों के संरक्षण के खिलाफ तौलने का कठिन सबक सीखा।
