

Day - 360

Our unique approach combines the rigor of exam preparation with the joy of reading, ensuring that learning new words becomes a delightful experience. By engaging with the stories, students can see how vocabulary is naturally used in context, making their learning process both effective and enjoyable. This method is aimed at improving not just the recall of vocabulary during exams but also the ability to use language with flair and precision in various forms of communication

Vocabulary mastery is not only crucial for success in competitive exams but also enhances the art of storytelling. Recognizing this, we've integrated essential vocabulary into captivating stories, designed specifically to assist students preparing for exams such as the Banking, SSC, CDS, NDA, CLAT, CAT, GMAT, XAT, and more. These stories do not merely list words but bring them to life, helping to cement them in your memory

9.	Efficiency	Noun	productivity, effectiveness, competence, proficiency, capability दक्षता
10.	Enduring	Adjective	lasting over a period of time; durable. स्थायी

Story in English

In the serene village of Shantipur, two men, Rajat and Manav, were known for their contrasting approaches to life. Rajat was always **animated** (**enthusiastic-उत्साहित**), filled with energy and a **enduring** (**durable-स्थायी**) optimism, while Manav often felt **disheartened** (**Discouraged-निराश**) by the **constraints** (**curb-प्रतिबंध**) of village life.

Rajat, believing in the **well-being** (**welfare-कल्याण**) of their community, decided to improve the local farming techniques. He thought that increasing **efficiency** (**effectiveness-दक्षता**) in their agricultural practices could bring prosperity and comfort to Shantipur. Manav, however, found Rajat's plans too **cumbersome** (**bulky-भारी-भरकम**) and complicated, preferring the traditional methods that were less energetic but more familiar.

One day, Rajat introduced a new irrigation system, which he described as a crucial **cog** (**part-एक छोटा हिस्सा**) in the wheel of progress. He was **intrigued** (**fascinated-जिज्ञासु**) by the potential of modern technology to alleviate the **fatigue** (**exhaustion-थकान**) caused by manual labor. However, implementing this new system was not without its challenges. The villagers faced many limitations, and the new equipment was indeed cumbersome.

Despite his initial disappointment, Manav's interest was piqued when he saw the tangible benefits of the new system. The crops were thriving, and there was less weariness among the workers. This fascinated him, and slowly, his dismay turned into a cautious enthusiasm.

By the end of the season, the benefits of Rajat's **animated** (**enthusiastic-उत्साहित**) efforts were evident. The prosperity brought about by increased **efficiency** (**effectiveness-दक्षता**) made life in Shantipur better. Manav, now less demoralized, admitted that some **cumbersome** (**bulky-भारी-भरकम**) tasks could lead to **स्थायी** (**enduring**) success.

Story in Hindi

शांतिपुर गांव में दो व्यक्ति, रजत और मानव, अपने जीवन के विभिन्न दृष्टिकोणों के लिए जाने जाते थे। रजत हमेशा **उत्साहित (animated)** रहते थे, ऊर्जा से भरपूर और एक **स्थायी (enduring)** आशावाद के साथ, जबकि मानव को गांव के जीवन के **प्रतिबंध (constraints)** से अक्सर **निराश (disheartened)** महसूस होती थी।

रजत, अपने समुदाय के **कल्याण (well-being)** में विश्वास रखते हुए, स्थानीय खेती की तकनीकों में सुधार लाने का निश्चय किया। उन्होंने सोचा कि कृषि प्रथाओं में **दक्षता (efficiency)** बढ़ाने से शांतिपुर में समृद्धि और आराम आ सकता है। हालांकि, मानव को रजत की योजनाएं बहुत **भारी-भरकम (cumbersome)** और जटिल लगीं, उन्होंने पारंपरिक विधियों को पसंद किया जो कम ऊर्जावान थीं लेकिन अधिक परिचित थीं।

एक दिन, रजत ने एक नई सिंचाई प्रणाली का परिचय दिया, जिसे उन्होंने प्रगति के पहिये में एक महत्वपूर्ण **एक छोटा हिस्सा (cog)** बताया। वे **जिज्ञासु (intrigued)** थे कि आधुनिक तकनीक कैसे मैन्युअल श्रम से होने वाली **थकान (fatigue)** को कम कर सकती है। हालांकि, इस नई प्रणाली को लागू करना चुनौतियों से भरा था। ग्रामीणों को कई प्रतिबंधों का सामना करना पड़ा और नई उपकरण वास्तव में भारी-भरकम थी।

अपनी प्रारंभिक निराशा के बावजूद, मानव की रुचि जागी जब उन्होंने नई प्रणाली के ठोस लाभ देखे। फसलें लहलहा रही थीं और काम करने वालों में कम थकान थी। यह उन्हें मोहित कर गया, और धीरे-धीरे, उनकी निराशा सावधानीपूर्वक उत्साह में बदल गई।

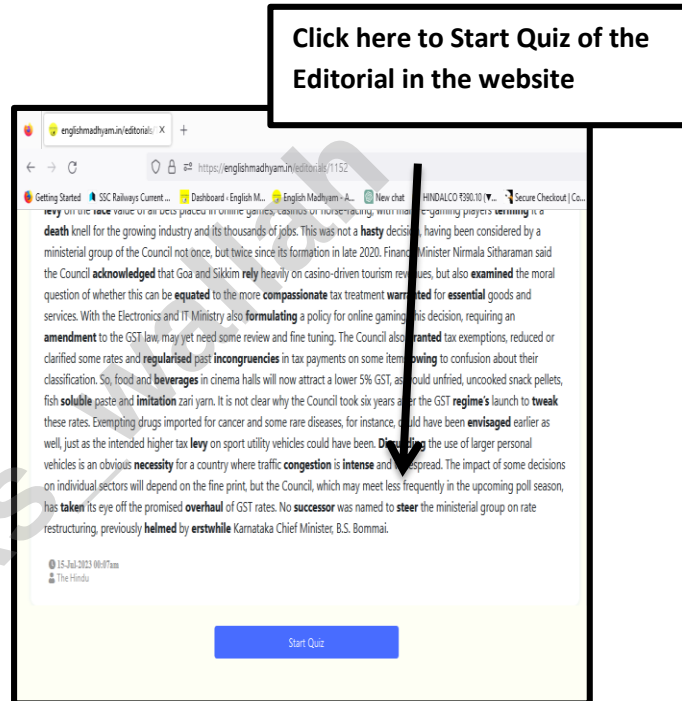

मौसम के अंत तक, रजत के **उत्साहित (animated)** प्रयासों के लाभ स्पष्ट हो गए। **दक्षता (efficiency)** में वृद्धि से आई समृद्धि ने शांतिपुर के जीवन को बेहतर बना दिया। अब कम निराश, मानव ने माना कि कुछ **भारी-भरकम (cumbersome)** काम स्थायी सफलता ला सकते हैं।
